## Oxley Garden Group

*It's Free, its Friendly and its For You.*

Thank you to Patsy Routledge for hosting our last get together for 2023 in her magnificent garden. It was a great day and her vegie garden in particular was much admired!

Our next Garden group day is in March

**When:-** Thursday March 12th **Time:-** Around 10.00am

**Where:-** Don and Janet Heaths 43 Smith St Oxley.

Bring a chair and a cup and a small plate to share.

Your host will provide tea coffee, milk etc.

Please feel free to also bring along bulbs, cuttings, etc to swap and/or anything of interest. Please also bring your “know How” on how to get the best results for our gardens.

We'll have a different host each month so you can visit different gardens. This is NOT a competition or judgement .

As the saying goes “Every Garden is lovely, they are just different..”

This is an opportunity to enjoy and socialise in our lovely neighbourhood. Hope to see you there.

### Picnic tables at the Stan Allan Reserve.

**Have you seen our new tables?** Huge thanks to Bruce Uebergang and Neil Barclay for installing them over the New Year period. Thanks also go to June Uebergang who has stored them for years while we tried to get them installed.

And finally grateful thanks to Janet Heath who didn't give up with all the delays and finally saw this job completed. They look great with the old tables moved to the small slabs and the new ones installed on the larger older slabs. It is a lovely addition to our reserve and the entrance to our town.

*That's it for this edition. We welcome your feedback. Please give us your thoughts and let us know what you want to see in this newsletter. If you have any contributions they will be gratefully accepted.*
