Georgina Banks - local connection

Two WW2 nurses, Sister Dorothy 'Bud' Elmes and Sister Caroline Ennis, both with strong connections to Cheshunt, are memorialized on the Oxley Soldiers Memorial. Dorothy Elmes is the great aunt of Georgina Banks. Both nurses were on the ship SS Vyner Brooke (with other nurses and civilians) when it was heavily bombed in Bangka Strait by the Japanese following the evacuation of Singapore. Ultimately, both nurses lost their lives.

Nurses Busts for Oxley Memorial Park

Oxley Residents Association is supporting a proposal by a local community group to have busts of Cheshunt nurses, Sisters Dorothy Elmes and Caroline Ennis created and located in the Oxley Memorial Park.
